

Harbour Sustainable Impact Fund

Information as at 30 June 2022

Fund Description

A multi-asset fund designed for the sustainability minded investor. The fund will provide exposure to a mix of domestic and global investments with a focus on the positive impact that these investments will have on various objectives linked to the UN Sustainable Development Goals, whilst achieving positive investment return. Harbour Asset Management offsets the carbon emissions of the equity assets in the Fund to achieve a carbon neutral portfolio. This is done by purchasing credits for targeted projects through Toitū Envirocare.

Fund Objective

To exceed the Official Cash Rate plus 4% over rolling 5-year periods. To have a positive impact as measured against UN Sustainable Development Goals (measured using independent data from ISS).

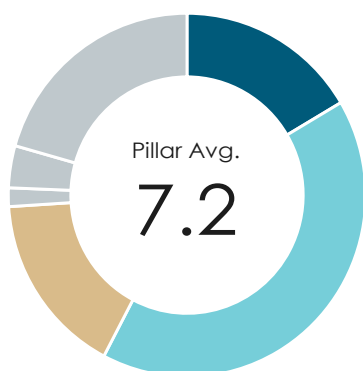

Fund Benchmark
