

How has the Fund performed?

	Past Year
Annual Return¹ (after deductions for charges and tax)	13.78%
Annual Return¹ (after deductions for charges but before tax)	15.27%
Market index annual return¹ (reflects no deduction for charges and tax)	18.76%

The market index annual return is based on the weighted average return of the market indices used to measure performance of the underlying fund. In this case the Market Index is the S&P/NZX Portfolio Index. Additional information about the market index is available on the offer register at www.business.govt.nz/disclose.

Annual Return Graph²

This shows the return after fund charges and tax for each year ending 31 March since the Fund started. The last bar shows the annualised annual return since the Fund started, up to 30 June 19. The Market Index Returns do not include any tax, expenses or charges.

Important: This does not tell you how the Fund will perform in the future. Returns in this update are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax may be lower.

What fees are investors charged?

Investors in the Fund are charged fund charges. In the year to 30 June 2018 these were as follows:

	% of net asset value
Total fund charges (Inc. GST)	0.55%
Which are made up of:	
Total management and administration	0.55%
Including-	
Manager's basic fee	0.42%
Other management and administration charges ³	0.13%
Total Performance-based fees	0.00%

Investors may also be charged individual action fees for specific actions or decisions (for example, for withdrawing from or switching funds). See the PDS and Other Material Information Document OMI for more information about fees. Also see the product disclosure statement for more information about the basis on which performance fees are charged.

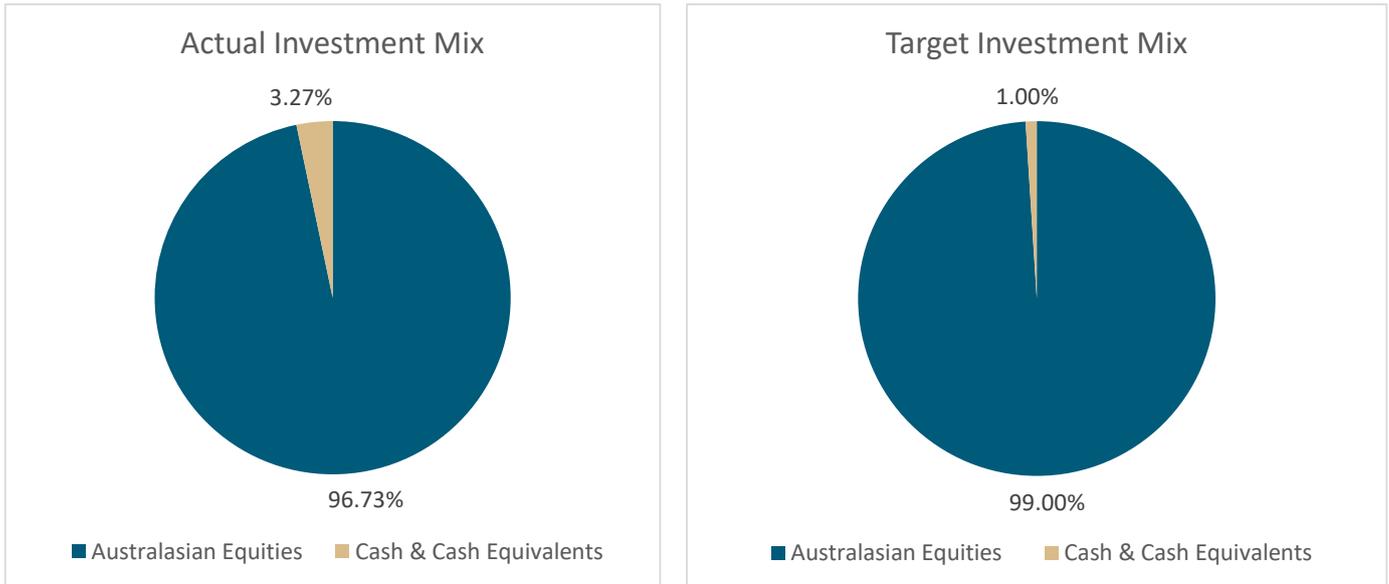

Example of how this applies to an investor

Small differences in fees and charges can have a big impact on your investment over the long term.

Jenny had \$10,000 in the Harbour NZ Equity Advanced Beta Fund at the start of the year and did not make any further contributions. At the end of the year, Jenny received a return, after fund charges were deducted, of \$1527 (that is 15.27% of her initial \$10,000). This gives Jenny a total return after tax of \$1378 for the year.
